

US Government Accountability Office (GAO)  
Senior Social Science Analyst  
Washington DC Headquarters, 441 G St NW

- We are hiring up to 2 Senior Social Science Analysts in our Center for Design, Methods and Analysis. CDMA's mission is to improve the quality of GAO's work by leading, advising, and assisting GAO teams on methodological research issues. We develop appropriate research designs, apply methods which comply with GAO and professional standards, and transfer skills and knowledge to GAO staff. CDMA is comprised of methodologists and survey specialists. The position is in our Washington DC headquarters, and the pay scale roughly corresponds to GS13-14, depending on qualifications and experience. See the vacancy announcement for more information on the position, GAO, CDMA, requirements, and application instructions. Application period closes March 5, 2019:
